

REQUEST FOR PROPOSAL SNOW PLOWING & REMOVAL SERVICES

The Borough of Stockton is currently seeking proposals for **Snow Plowing & Removal Services** for the 2017 snow season commencing January 1, 2019 and continuing through December 31, 2019. An option for a two-year contract commencing January 1, 2019 and continuing through December 31, 2020 is also made available and may be considered for acceptance by the Borough. Proposals will be accepted by email or US Mail and must be received by **November 1, 2018, by 12pm**. Proposals transmitted by email must be sent to the following address: Stocktonclerk@aol.com. Proposals sent via US Mail must be addressed to:

Michele Hovan, Borough Administrator/Clerk
Borough of Stockton
PO Box M
Stockton, NJ 08559

SCOPE OF WORK:

- Whenever the weather is conducive to snow, sleet or ice, the contractor agrees to remain ready, willing and immediately available to commence snow removal services within one half hour of notification by the Chairman of the Stockton Council Streets & Roads Committee or by the County of Hunterdon Road Department or by the NJ State Police.
- Communication between the contractor and the Chairman of the Streets and Roads Committee is critical to addressing the needs of the community for this contract. In the event the contractor cannot reach the Chairman regarding any questions or to seek approval for additional work, the contractor must contact the Borough Administrator/Clerk, who in turn, will contact another member of the Streets and Roads Committee to obtain approval.
- All work performed by the contractor must be accomplished using the contractor's owned and/or rented equipment. All equipment must be inspected to assure safe operation prior to use on Borough roads. All work must be performed by the contractor or the contractor's employees. Any use of subcontractors must be approved by the Borough in advance.
- The contractor shall salt or plow all municipal roads and access points to all municipal properties. Municipal properties shall include Stockton Borough Hall (South Main Street) Stockton Park (Ferry Street), water utility property (Broad Street), sewer pump station property (South Main Street) and the Stockton Firehouse (Mill Street).
- Municipal roads to be serviced under this contract shall include: Woolverton Road, Broad Street, Glenwood Lane, Hilltop Drive, Ferry Street, Moore Street, Bridge Street, Mill Street, N/S Railroad Avenue. State Highway 29 is serviced by the State of NJ Department of Transportation.
- Salt will be provided by the Borough and available for pickup at the Delaware Township Department of Public Works (816 Sergeantsville Road, Sergeantsville, NJ). In the event there is no salt available from Delaware Township, the contractor may submit a separate reimbursement request for purchased road salt.

- Roads shall be plowed whenever approximately 2” of snow has fallen.
- Contractor shall clear snow and ice from the sidewalks at Stockton Borough Hall.
- Care should be taken to keep intersection sight lines clear and free from snow mounds, wherever possible.
- Post-storm cleanup shall include the removal of snow mounds at intersections and other public areas of access. Snow piles shall be delivered to Stockton Park without obstructing future vehicle access into the park or near the playground area.

METHOD OF AWARD:

The Borough of Stockton may award the work based on the terms stated. The successful applicant will not assign any interest in this contract and shall not transfer and interest in the contract without the prior written consent by the Borough. This contract will be awarded pursuant to a fair and open process as prescribed in N.J.S.A. 40A: 11-1 et seq.
