

RESOLUTION 2025-33
AUTHORIZING EXECUTION OF COMMUNITY SERVICES AGREEMENT
WITH RURAL COMMUNITY ASSISTANCE PARTNERSHIP, INC. (RCAP)
FOR GPS DATA COLLECTION AND GIS MAPPING SERVICES OF THE
BOROUGH OF STOCKTON’S WASTEWATER AND STORMWATER SYSTEM

WHEREAS, by Resolution 2024-81 adopted on September 16, 2024, Stockton authorized the execution of a Community Services Agreement with Rural Community Assistance Partnership, Inc. (RCAP) for RCAP’s provision of GPS data collection and GIS mapping services of the Borough’s water system at no cost to the Borough, with work to take place between March 1, 2025 and August 31, 2025; and

WHEREAS, on January 27, 2025, RCAP offered to complete GPS data collection and GIS mapping services of the Borough’s wastewater and stormwater system, with work to take place between March 1, 2025 and September 30, 2025, also at no cost to the Borough; and

WHEREAS, RCAP is a non-profit organization that provides technical assistance, training, resources, and support to rural communities throughout the country, including environment-focused technical assistance and training programs to help rural communities build resilience, sustainability and improve the quality of life; and

WHEREAS, RCAP’s no-cost environmental programs are funded by grants awarded by the United States Environmental Protection Agency; and

WHEREAS, RCAP’s terms and conditions for its services are set forth in a “Community Services Agreement” specifically for purposes of the wastewater system/assets services; and

WHEREAS, the Borough seeks to authorize RCAP to conduct these services on its behalf for a one year term; and

WHEREAS, it is anticipated that execution and operation of the Community Services Agreement will not require the expenditure of any Borough funds, and that should the Borough seek to procure additional services from RCAP beyond the one-year term, there may be costs in connection therewith which shall be subject to the subsequent approval of Council; and

WHEREAS, because the services under the Community Services Agreement do not require any payment to be made by the Borough, the agreement may be awarded without bidding pursuant to the Local Public Contracts Law, N.J.S.A. 40A:11-6.1.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Borough of Stockton on this 10th day of February, 2025 that the Mayor is hereby authorized and directed to execute a Community Services Agreement with Rural Community Assistance Partnership, Inc. to provide GPS data collection and GIS mapping services of the Borough's wastewater and stormwater system at no cost to the Borough for a term of one year.
